To: Fred Newman
From: Kathleen M. Linnahan
Subject: Legal Analysis of Smokeless Tobacco Legislation

Date: October 25, 1965

Attached are the current bills under House and Senate Committee consideration. I have also attached a memorandum which explains the minor changes made to H.R. 3510 in the Subcommittee. When the newly marked up bill is in print, I will forward it to you.

S.1574 has not yet been marked up in the Labor Committee. However, it is rumored that the Committee may mark up the legislation next Wednesday, October 30. The Kasten bill was developed by the Smokeless Council and is expected to be introduced shortly. However, S.1574 will be the mark up vehicle.

Congressman Tom Bliley has requested a legal analysis of the three bills. I would appreciate your comments on the legislation for the Congressman. Many thanks.
